

U.S. Pat. Appln. of Siegel et al. - 09/659,525 - Art Unit: 3611 - SECOND SUPPLEMENTAL AMENDMENT

REMARKS

This Amendment is being filed on the basis of further discussions with Examiner Davis regarding the amended claims submitted in the October 18, 2004 Supplemental Amendment. On this basis, claim 1 is here amended to clarify that the attachment means forms at least one part of the permanently alterable means that cooperates with the protective enclosure. The Examiner has indicated that this added language further distinguishes over the prior art of record and would be favorably considered.

It is believed that this application is in condition for allowance. Early allowance is, therefore, respectfully solicited.

Applicant hereby petitions that any and all extensions of time of the term necessary to render this response timely be granted. COSTS FOR SUCH EXTENSION(S) AND/OR ANY OTHER FEE DUE WITH THIS FEE DUE WITH THIS PAPER THAT ARE NOT FULLY COVERED BY AN ENCLOSED CHECK MAY BE CHARGED TO DEPOSIT ACCOUNT #10-0100.
